

Company Profile

Besthometextile.com was founded in 2009 in Guangzhou, a capital city of Guangdong province. We are specializing in the export of various home textile products, including quilts, sheet, pillows, rug, curtain, bed cover, mattresses cover and others. The product is mainly sourced from Southern China. We maintain the passion of sourcing the best quality material, with novelty artwork. The fleece blanket has over 100 different patterns, including Disney cartoon, animal, flower etc. We also have strict quality control measures in place. The beddings are covered with finely woven 100% cotton fabric. The softness will set you at ease.

As a leading manufacturer, importer, exporter, and distributor of home textile products in Southern China, we strive to build long-term relationships with our partners by providing the highest quality of products at reasonable prices. We promise to continuously offer the latest fashion techniques, so we regularly travel to the most important fairs around the world to stay up to date with emerging trends. Our sourcing and development departments collaborate with our in-house design studio to create a wide variety of products to satisfy all tastes. Our products are reputed in major hotels for their high quality and refined finishing. Throughout the years, we accumulated a lot of experience in the hospitality market, which allowed us to understand the end-customers' finest needs and improve our products accordingly. Our in-house design department offers hotels customized designs that fit their image and branding.

Our plants passed ISO9001 and International OEKO-Tex Standard 100 Certifications. We strictly stick to the standards all through our production. Our products are mainly exported to Europe, North America, Asia and Australia. Every customer has given us and our products high scores because of high quality, competitive price as well as sincere and excellent service. An excellent reputation has enabled us to make our mark in the home textile industry.
